TECHNICAL REPORT Flexible Seismic Joints

Thank you to all the ASPE members for your continued support and encourage you to invest in your education through ASPE chapter meetings and online education. We have begun free group study sessions for the CPD. We encourage you to join to attend learn from our accumulative knowledge and put your best foot forward for the upcoming CPD test.

This month we have Jim Clauss who has over 30 years of practical piping experience, holding positions including Technical Service, Project

Engineer and Production Manager. He has been ASTM Task Group Chairman and has written and co-written standards and codes for expansion joints, insulated pipe, pipe and fittings. He is currently Vice President for The Metraflex Company. The Metraflex Company has been providing Thermal, vibration and seismic solutions for pipes in motion since 1958.

From your Vice president technical of the American society of plumbing engineers San Diego chapter please in insist on an attending

The society which scorns excellence in plumbing as a humble activity and tolerates shoddiness in philosophy because it is an exalted activity will have neither good plumbing nor good philosophy: neither its pipes nor its theories will hold water.

V.P. MEMBERSHIP REPORT

The Value and Benefits of Membership

I hope everyone had a great holiday season. We are down in membership numbers to 98. Please let me know if there is anything I can do to help. Keep in mind all the great things ASPE has to offer.

ASPE is currently accepting applications for the 2020 Alfred Steele Scholarship. Each year, ASPE awards up to \$3,000.00 in scholarship money. The scholarship is limited to ASPE members and their immediate family members who are planning a career in engineering.

For additional details, requirements and to apply please go to ASPE.org and search under Membership and Global Community or feel free to contact me. The deadline to apply is January 31, 2020.

If you find any of the above benefits of value to you & you are not a member, please consider becoming one. Contact me if you need help doing so.
